

Thank you for visiting the Ontario Police Department's website. The men and women of the police department are proud to serve the citizens of Ontario and stand ready to continue our tradition as one of the safest communities in Ohio. Our management philosophy consists of one simple statement – we are committed to providing superior and extraordinary customer service to our residents.

The signature of our commitment to organizational excellence is demonstrated by our achievement of what is commonly referred to as the “gold standard of law enforcement excellence” – law enforcement accreditation. The Ontario Police Department achieved accredited status through the Commission on Accreditation for Law Enforcement Agencies (CALEA) in 2016. This certification represents the fulfillment of our commitment to you that our community is receiving the highest quality of law enforcement services available.

The Ontario Police Department is proud to offer a full array of law enforcement services. These services include, but are not limited to; Uniform Patrol, Criminal Investigations, Bike Patrol, School Resource Officer, Crime Scene, and Crime Prevention services.

We invite you to checkout our website to learn of the many other programs and services we offer. We also invite you to provide us with your input as to how we can serve you better. We are committed to a process of continued improvement and can only accomplish this end through a constant working relationship with the citizens we serve.

We are proud of our community, and we are honored to be a part of what makes Ontario one of the best communities in Ohio.

Tommy D. Hill

Chief of Police
