

The Ontario Police Department has joined the Facebook Social Networking Site. Facebook has over 500 million users and allows them to communicate effortlessly around the world.

We will be using our Facebook page to post helpful information such as City Laws, Changes in Laws, Helpful Tips, Community Information, Posting Surveillance Photos of Crime Suspects and much, much more. Facebook users will receive information directly on their own Facebook page for easy access once they select the "LIKE" button on our page. If you are not yet a member of Facebook, you may also join through our link.
